Re: MM Docket No. 01-52
RM-10021

Gentlemen:

On February 28, 2001, the Commission released a Notice of Proposed Rule Making, 66 FR 12753, proposing the allotment of channel 56 to Marshfield, Missouri. Pelican Broadcasting Company, Inc. filed comments stating its intention of applying for channel 56, if allotted to Marshfield.

In its *Report and Order* in GN Docket No. 01-74, the Commission adopted the reallocation of the 698-746 MHz Spectrum Band (television channels 52-59) from use by television broadcasters to new uses on a flexible basis.¹ In that *Report and Order*, the Commission dismissed all pending petitions for rule making proposing new NTSC television allotments on channels 52-59.² Accordingly, IT IS ORDERED that the above-referenced proceeding IS TERMINATED.

Sincerely,

Barbara A. Kreisman
Chief, Video Division
Media Bureau

¹ See *Reallocation and Service Rules for the 698-746 MHz Spectrum Band (Television Channels 52-59)*, 17 FCC Rcd 1042 (2002).
